NCFAS Radiology Certification Course and Exam January 16-17, 2027

Registration is now open for the NCFAS Radiology Certification Course and Exam scheduled to be held during the North Carolina Foot & Ankle Society's Winter Scientific Seminar.
The Radiology Certification Program will be held on Saturday, January 16, 2027, beginning at 8:30 am. The exam will be held electronically on Sunday, January 17, 2027, 9:00 am - 11:00 am.

All events will be held at The Grandover Resort, located at 1000 Club Road, Greensboro NC 27407. Make sleeping room reservations by calling 336-294-1800. Let Reservations know that you are with the NC Foot & Ankle Society to receive the group rate of $239.00 (single or double), plus state and local taxes, and resort service fees.

Registration fees of $250 include the course and exam, breakfast, lunch, and refreshment breaks on Saturday and breakfast on Sunday morning.

Upon completion of registration, attendees will be emailed a link to download the Podiatric Radiology Manual, Rad Tech Log Sheets, and additional instructions. **Be sure to provide an individual email address with EACH registration!** You may print the manual or download it to an electronic device. The manual should be used for self-study, prior to the program. We know from experience that those who spend time studying the information perform better on the exam. The final step is successful completion of the exam.

The exam will be held electronically on Sunday, January 17, 2027. Attendees may depart the hotel and take the exam from another location - as long as you have a , but you are welcome to remain at the Grandover and take your exam from the meeting room or your sleeping room.

IMPORTANT CHANGE: The NC Administrative Code related to clinical office staff taking X-rays in podiatry offices have changed. Beginning January 1, 2027, Podiatric Medical Assistants taking X-rays must be certified by taking the Society's Radiology Course and passing the exam OR must hold a registration with the American Registry of Radiologic Technologists (ARRT) OR must be under the direct supervision of their podiatrist or an individual certified by the Society or ARRT.
